player and director of Sunday's singing

Laws and Customs Absolutely Necessary. lutely Necessary.

Sunday has declined to accept pay for his work here, but the local committee must defray expenses, including about \$400 for renting and preparing Convention Hall, \$300 for clerical hire in distributing tickets and other details, and \$400 for a light for the fookland Brotherhood assembled last li pecial car to bring Sunday's party from | night in Lord Memorial Hall for their semi-annual banquet.
Senator Clapp ascribed the present

European war to a too strict adher-ence to the principles of the past which llowed monarchies to grow up and militarism to become a religion.

"The nations of Europe have no cause or principle to fight for and yet millions of men go out and convert the

peaceful fields of Europe into human slaughter houses. The time will come when historians will refuse to believe that this horrible conflict ever took place.
"Why must we worship the traditions." There is

of the past?" he asked, "There is nothing sacred in a thing because it happened years ago. Every man converted by "Billy" Sunday, that great evangelist, must make a very great change in his life and break absolutely with the past in order to have a better life. The idea of adhering to ancient principles because they are ancient also rules to some extent in the United States Senate. When our laws reach a stage where we cannot contemplate changes it, them, then we must fatuously believe they are perfect. If we would improve anything-laws included-we must make changes. Let
